

POSITION: Warehouse Operator (Light Duty Warehouse)
STATUS: Regular Full Time
REPORTS TO: Warehouse Manager

We are seeking a Warehouse Operator to join our Warehouse team.

We are one of the largest luxury retailers in BC and have gone through consistent 20% growth each year for the last 4 years. We sell everything from cosmetics to Cognac and jewellery to jerky. Why the unusual product range? We are the one of the world's largest companies in airport duty free retailing, something we know you have never thought about but shop at every time you fly internationally.

We are World Duty Free (WDF) operating in 100 airports in 21 countries from Heathrow to Helsinki. We were voted Airport Retailer of The Year by Frontier Magazine in 2013 and 2014.

At Vancouver International Airport, we operate 10 stores post-security, selling liquor, luxury goods, cosmetics, souvenirs and food. We are effectively a duty free department store at the airport. Unless you have flown out of the international terminal in the past year you would not have seen our beautiful new stores. Our stores are open 24 / 7 / 365 and are a much bigger business than you imagine.

As our new Warehouse Worker, you would be responsible for managing all merchandise including **receiving, stocking, picking and shipping, labelling** our merchandise with appropriate codes and prices and preparing replenishments to our stores as required.

If you are flexible with your schedule and want to help contribute to our success, then please submit an application form to join our team. Our facility is retail warehousing/stock room.
